The HardTank logo is displayed on a dark wooden-textured rectangular block. The logo consists of the word "HARDTANK" in a tall, thin, outlined sans-serif font. Above and below the text are two short, horizontal white lines. The background of the entire advertisement is a dark, high-contrast image of the coffee machine's internal components, including a large circular extraction chamber and various pipes and valves. A glass carafe filled with dark coffee sits on top of the wooden block.
